JOIN US

I am honored to invite you to join us for the Wilkerson Foundation Charity Golf Classic and to stand with us in making a meaningful difference in the lives of young people.

The Wilkerson Foundation was founded with a clear purpose: to empower and support high school students in their pursuit of higher education. We believe deeply in the transformative power of learning, and we are committed to creating opportunities that inspire both academic and personal growth.

At our core, we work to open doors, remove barriers, and equip students with the tools, confidence, and resources they need to reach their fullest potential. We are more than a foundation, we are a community of educators, professionals, and advocates united by a shared belief that every student, regardless of circumstance, deserves a clear path to achievement and purpose. Together, we are helping young people turn their dreams into degrees, and their potential into lifelong impact.

This mission is deeply personal to me. After the passing of my mother, I felt a calling to honor her life and the sacrifices she made for our family. She instilled in me the values of perseverance, faith, and the importance of education. My family and I share a vision to give back in meaningful ways, and through this foundation, we empower students with life-changing programming and scholarship funds to lift them as they climb, continuing my mother's legacy of love, strength, and opportunity.

My journey began at LaGrange High School, where I was fortunate to graduate with both academic and athletic honors. Those years shaped my character, work ethic, and determination. Having once faced the challenges of limited resources, it is a profound privilege to now give back to my alma mater and invest in students who are walking a path similar to the one I once traveled. I want every young person we serve to know that where you start does not determine how far you can go.

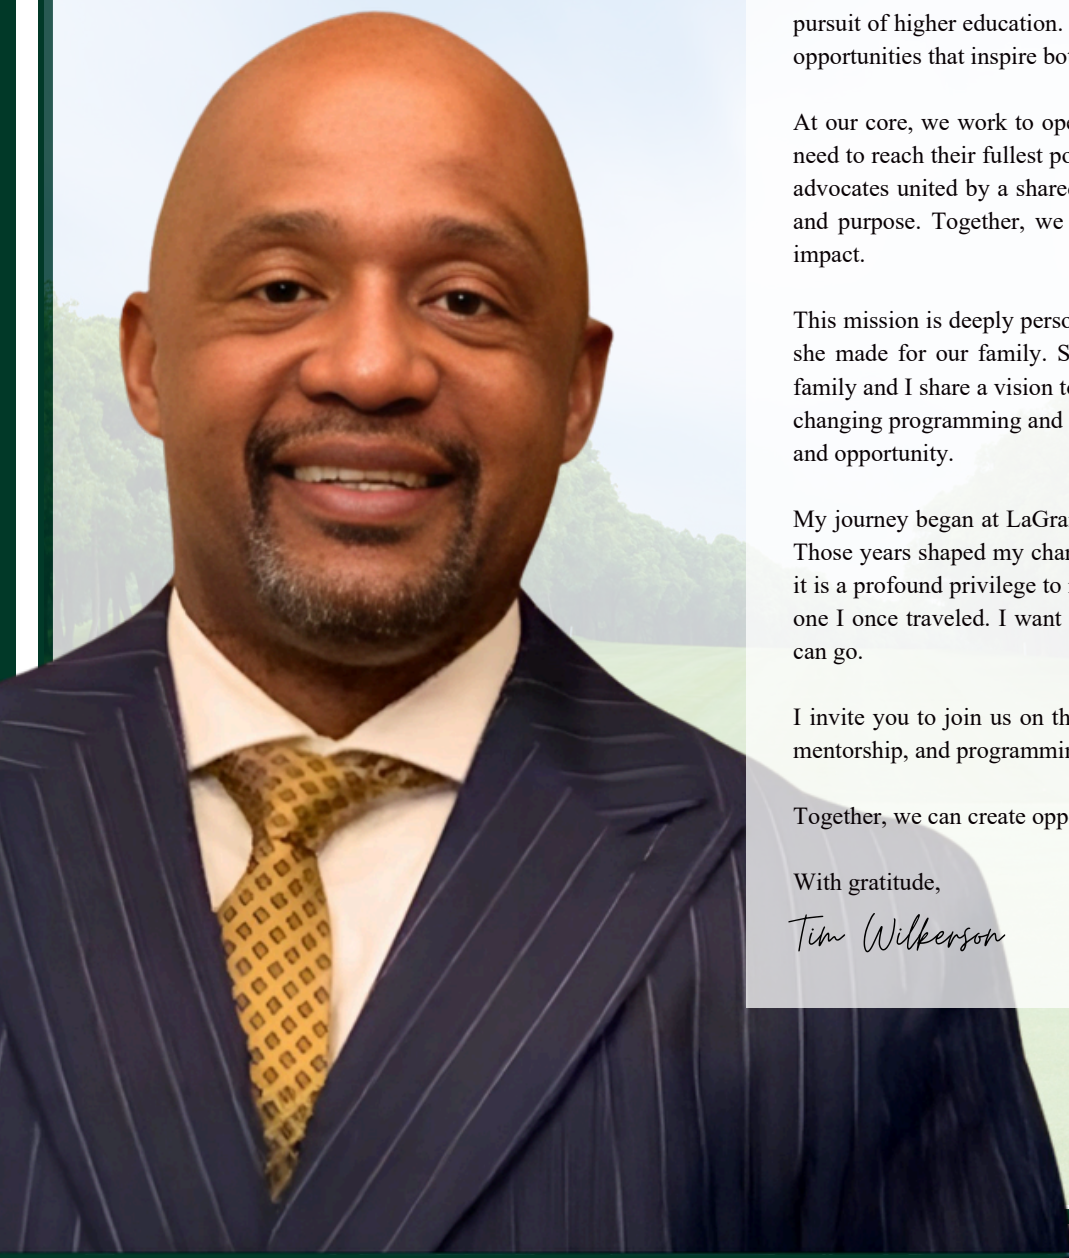

I invite you to join us on the course and in our mission. Your participation in this event directly supports scholarships, mentorship, and programming that will change the trajectory of students' lives.

Together, we can create opportunities. Together, we can build futures. Together, we can make a lasting difference.

With gratitude,

Tim Wilkerson

OUR IMPACT

When you join us, you are directly supporting the mission of the Wilkerson Foundation, an organization committed to equipping students with the tools, resources, and opportunities they need to succeed beyond high school.

Since May 2021, the Foundation has proudly supported students at LaGrange High School through impactful programming and scholarships that inspire, empower, and prepare young leaders for college and beyond.

Why Your Participation Matters

Your involvement helps us:

- Advance post-secondary readiness for underserved, college-bound students
- Provide transformative scholarships that open doors to higher education
- Deliver mentorship and programming that builds confidence, leadership, and life skills
- Strengthen communities by investing in the next generation

This is how we create lasting impact, one student, one opportunity, and one swing at a time.

PARTNER WITH US

Whether you're an avid golfer, corporate partner, or community champion, there's a place for you:

- Secure a foursome and enjoy a premium golf experience with colleagues or clients
- Participate as an individual player and network with purpose
- Become a sponsor or partner to showcase your brand while making a meaningful difference
- Support through in-kind donations or experiences that enhance the event

At its core, this event reflects the Foundation's mission: to create lasting impact by advancing education, building generational wealth, and strengthening communities.

Your participation is more than attendance, it's an investment in dreams, in futures, and in the leaders of tomorrow.

Join us on the course and help us drive lasting impact.
